

Terms & Conditions

1. VLSI Consultancy reserves the right to change the content used at any time.
2. The user must pay in full before being provided access to the training
3. Fees paid is non-refundable
4. Currency conversion charges from any other currency to that of the invoice is the responsibility of the user.
5. Users are solely responsible for ensuring that they have sufficient and compatible hardware, software, telecommunications equipment and Internet service necessary for use of the Site.
6. Training Material and Access to the course
 - a. The training material is the property of VLSI Consultancy
 - b. The use of the training material on our courses is restricted to the Registered User who has been supplied with the log in details by VLSI Consultancy
 - c. The Registered User shall not copy, share, modify, transmit, distribute, or in any way, exploit the copyrighted materials provided by VLSI Consultancy other than for his/her own individual training. Use for any other purpose is expressly prohibited by law and any violators will be prosecuted.
 - d. The Registered User shall not permit anyone else to copy, use, modify, transmit, distribute, or in any way, exploit the copyrighted materials.
 - e. VLSI Consultancy does not warrant that the materials will be error free including technical inaccuracies, nor free of viruses, or other harmful matter. The entire cost of any necessary service, repair, or correction, is the Registered User's responsibility.
 - f. VLSI Consultancy may make improvements, or changes, to this material at any time without prior notification.
7. These Terms and Conditions shall be governed by and construed in accordance with the laws of The Republic of Singapore.
8. If you do not agree with these Terms and Conditions you must cease to use VLSI Consultancy's e-learning site immediately
9. **Disclaimers and Limitation of Liability**
 - a. Users access this site at his/her/its own risk. The site is provided on an "as is, as available" basis without warranty of any kind, expressed, implied or statutory, and any and all warranties of merchantability, fitness for a particular purpose or non-infringement of third parties' rights are specifically disclaimed. VLSI Consultancy does not warrant any particular result from use of the software or site. VLSI Consultancy does not warrant that the information on the site is accurate, complete or complies with any particular law or regulation, or that the operation of and your access to the site will be uninterrupted, error-free, virus-free or completely secure.
 - b. Under no circumstances and under no legal theory (tort, contract or otherwise) shall VLSI Consultancy be liable to you or any other person or entity for any indirect, special, incidental, punitive or consequential damages of any character, including without limitation, damages for loss of goodwill, work stoppage, computer failure or malfunction, loss of data, loss of productivity or contract, or any and all other commercial damages or losses.
 - c. Your use of this site is at your sole risk and any content that you download is downloaded at your own discretion and risk, and you are solely responsible for any damage to your computer system and for any loss of data that results from the downloading of any such content, including any damages resulting from computer viruses.

- d. In no event will VLSI Consultancy be liable for any damages in excess of the amount VLSI Consultancy received from the user for access to a course, even if VLSI Consultancy have been informed of the possibility of such damages, or for any claim by any other party.
- e. In no event will warranties provided by law, if any, apply unless they are required to apply by statute notwithstanding their exclusion by contract.
- f. This disclaimer is applicable to any damage or injury resulting from the negligence or an omission of VLSI Consultancy, computer virus or other similar item, telecommunications errors, or unauthorized access to or use of user information through theft or any other means. VLSI Consultancy is not liable for criminal, tortious, or negligent actions or omissions of third parties that affect this site.
